**Lesson 11: Hebrews 9 – 10:18 Old and New Covenant Compared**

*1. The Earthly Sanctuary and Service (9:1-10)*

A. The first covenant had items for worship and procedures for worship. List some of those things: (vs 1-7)

B. What was the Holy Spirit signifying by this? (vs 8)

C. What could NOT be accomplished through these practices? (vs 9)

*2. The Heavenly Sanctuary and Service (9:11-15)*

A. How do the Sanctuary and offerings of the New Covenant compare to the old? (vs 11-12)

B. What does the New Covenant accomplish (vs 13—15)

*3. Death Required in Both Covenants (9:16-28)*

A. Why is a death necessary for a “testament”? What is the illustration he is using?

B. Under the old covenant, what all had to be purified with blood? (vs 19-22)

C. Under the new covenant, the heavenly realities needed a better sacrifice. (vs 23)

D. Christ does not need to suffer often because he was able to do something. What was that, specifically, in verse 26)?

*4. Animal Sacrifices Not Sufficient (10:1-4)*

A. In verse 1 the law is described as the S\_\_\_\_\_ and not the real substance.

B. What could these sacrifices NOT do? (vs 1)

C. If these sacrifices could have made them perfect, what two results would have come about? (vs 2)

D. Rather than doing this, they were actually a R\_\_\_\_\_ of sins continuously. (vs 3)

5. *Christ's Sacrifice Sufficient (10:5-18)*

A. According to verses 5 and 6, what did God NOT desire? In other words, what was not really in God's will?

B. Rather, Jesus came to do what? (vs 7)

C. According to verse 9, by saying this, Jesus takes away the first in order to establish the second.

D. Based on this will, what has happened to us believers once for all? (vs 10)

E. Jumping down to verse 14, what does it say happened to those who were sanctified?

F. Now go back and look at verse 1. The old covenant could not make the people perfect. But the second covenant does. And if it does, what two things should happen? (See vs 2)

G. The New Covenant consists of writing God's laws where?

.... and in forgiving all \_\_\_\_\_. (vs 16-18)

H. He concludes this section by saying that where there is "remission" there is no more offering for sins. Remission means that the sins were put away as though they had never been committed.
